EXPERIENCE

L Street Corporation (Chicago, IL) - *IT Intern, Software Developer*
MAY 2022 – PRESENT

- Originally brought on as an intern, but promoted to main software developer due to technical proficiency
- Becoming familiar with Ruby on Rails to solo-maintain an application of one of the company's subsidiaries
- Used software such as GitHub and its branches to push independent changes live to the application
- Used AWS for company storage of various documentation and creation/maintenance of application APIs

Independent Study and Projects
2018 – PRESENT

- Handful of individual video-game-creation projects; sometimes in collaboration with others
  - Some games playable at https://yackseb.itch.io/ with GitHub at https://github.com/jacksebben
- Developed a game-hosting website for my peers that lasted over a year; used by hundreds of students
- Various mathematics proof attempts; efforts to solve difficult/unsolved math problems

Downers Grove Park District, Subway, Cypress Cove (Downers Grove, IL) - *Concessions Worker*
SUMMER 2018, SUMMER 2019, SUMMER 2021

- Processed point of sale operations in a fast-paced environment with fellow coworkers
- Carried out opening/closing duties and restocked inventory accordingly
- Maintained a clean interior, exterior, and work environment consistently
